NOTICE

We have received information regarding cases in which unknown individuals, acting on behalf of The Ultima Global Markets Qazaqstan Limited ("**Company**"), offered or entered into agreements with private investors to provide financial market services or to purchase financial instruments.

We would like to inform investors that the Company does not engage in dealer or brokerage activities in the financial market of the Republic of Kazakhstan or the AIFC. The Company does not have any employees, agents, or representatives engaged in advertising, offering, or promoting financial instruments, including those issued by the Company.

The Company's activities are exclusively related to the issuance of structured notes offered for qualified investors. The Company enters into transactions with financial instruments and other assets with financial institutions and other financial market professionals, these transactions are aimed at supporting its operations and managing the pool of assets associated with the risks or payments associated with the notes issued.

Be vigilant, check the credentials of anyone offering you services or financial instruments, and if you suspect you've been scammed, contact law enforcement agencies.

Information about the Company is available at: <https://publicreg.myafsa.com/details/221040900440/>, by phone +7 717 264 07 99 or email: qazaqstan@theultimagm.com.
